

GOVERNOR NTB VISITS OMBUDSMAN

Monday, 04 March 2019 - Khairul Natanegara

Mataram, Governor of Nusa Tenggara Barat Dr. Zulkiflimansyah on Monday, 4 March 2019 visited the Office of the Ombudsman of the RI Representative Office in NTB. The visit was received directly by the Head of the Ombudsman of the RI Representative Office in NTB Adhar Hakim, SH., MH and the Assistant Ombudsman of the RI Representative Office in NTB.

Cooperation and Coordination that is more intense becomes an important agenda from the meeting. As has been known during this time that the Ombudsman of the RI Representative Office in NTB has become a partner of the Government of Nusa Tenggara Barat in the improvement of the Management of the Government especially Public Service in the environment of the Government of Nusa Tenggara Barat.

In the opportunity of the visit Governor NTB did not forget to appreciate the ways of work of the Ombudsman in handling every report that is considered very effective. "The Ombudsman really works hard and continues in silence. Far from noisy," he said. In addition Governor NTB also expressed gratitude to the Ombudsman because of the intense supervision of public service that is carried out in every government institution in the Province of NTB. This is a little by little has an impact on the change of paradigm of every State Apparatus (ASN) that wants to be served to become must be served.

Governor NTB also conveyed that the Ombudsman as one of the State Institutions must be supported in every aspect, so that the presence of the Ombudsman especially in NTB as a State Institution that supervises Public Service can be felt by the whole community.

In addition to what was conveyed by Governor NTB, the Head of the Ombudsman of the RI Representative Office in NTB also stated that during this time the Ombudsman has carried out many efforts to carry out socialization, but it was also acknowledged that the situation is still not optimal. The maximum socialization that can be carried out by the Ombudsman during this time is one of the causes because of budget limitations. But in the middle of these limitations, it does not make the Ombudsman stand still but will try to find other mechanisms that are more effective in carrying out socialization.

Furthermore Governor NTB in the opportunity of the visit asked that the Ombudsman of the RI Representative Office in NTB continue to improve its performance as a supervisor of public service so that public service that is in NTB especially that is carried out by the Government Institution can satisfy the community.
